

# 2003 Educational / Health Conference

**Unlocking Learning Potential:** *“Relentlessly Pursuing Closing the Achievement and Health Disparities Gap for CT’s Children”.*

Connecticut Association of Urban Superintendents (C.A.U.S.) in collaboration with the Foundation for Educational Advancement and Central Connecticut State University sponsored the 2003 state-wide Unlocking Learning Potential Health / Education Conference.

More than 150 educators, health professionals and parents from Connecticut, New York, New Jersey and Maryland attended. The keynote presenter was Dr. Melvin Levine, an internationally renowned neurodevelopmental pediatrician and educator.

Sponsored in collaboration with:
